*a 501(c)(3) nonprofit corporation*

**Second Chance** is a 501(c)(3) nonprofit that provides people, materials and the environment with a second chance. We deconstruct buildings and homes, salvage usable materials and make those available to the public through our 200,000 square feet of retail space. With the revenue generated, we provide job training and workforce development for those with employment obstacles in the Baltimore region.

**Second Chance** is a social enterprise with a true triple-bottom-line focus. That means everything we do is:

- environmentally sound
- socially responsible
- financially viable
